A SLICE OF BREE

Last year, a just-turned-19 cutie from Montana finally listened to what the voices in her head were saying. "You're a slut, Bree. You're a dirty girl. You love cock. Be the slut you were meant to be!" Bree Daniels knew it was true—she was a sex freak. So she packed her bags and headed to Porn Valley, CA. Less than 12 months later Bree Daniels is one of the most popular performers in porn, a buxom blonde with a beautiful face, a breathtaking body, and a supercharged sex drive. "I can't wait to get up in the morning before a shoot knowing that today I'll be a sex symbol. I love to turn people on. There is nothing more empowering to me," Bree says. But the self-professed "tomboy" might not be as wild as her modeling jobs make her out to be. "I'm a bit nerdy. I love to play video games and don't really go out much. I do like to spend a night out on occasion, but more often than not I spend my nights at home with my cats." We spend most of our nights at home spanking our monkey...maybe we can hook up?

NAILING THE NANNY

Jesse & Pals Make Fantasies Cum True On The Set Of *Babysitters* 2!

Hi again, everyone! Have you all been good boys and girls? No? You've been naughty. You need me to put you over my knee and paddle your bottom until you are contrite? I'll bet you do!

Well, I can't promise I'll come and personally give each and every one of you a spanking (though I'd like to!) But what I *can* do is advise you to check out my latest Digital Playground movie, *Babysitters 2*.

You remember the first *Babysitters* from a few years ago, right? It starred Teagan Presley, Shay Jordan, Sophia Santi, and me. Well, since the first movie was such a hit, we decided to make *Babysitters 2*!

This film is even hotter than the first one. Why? Well, the cast is awesome—Riley Steele, Kayden Kross, Stoya, BiBi Jones and me—and we had great chemistry. Plus, unlike the first *Babysitters*, we had an orgy at the end with all of us girls and Manuel Ferrara. It was so insane and hot!

All photos courtesy of
Digital Playground
www.digitalplayground.co

Manuel plays my boyfriend, and he has a huge fantasy about babysitters. I knock on the door of Manuel's house and pretend to be a babysitter. He role-plays along with me, and before you know it, we're fucking like crazy. It was very intense and hardcore, and left me dazed. Just look at the Behind The Scenes footage that comes with the DVD…I'm a fuck drunk mess!

For Manuel's "birthday party" in the film, I call all of my friends over to play "babysitter" with him. We all dress in real slutty, short dresses, and we seduce him in such a naughty way. He loved it and we fucked all over the place! We were falling over couches, bending in all kinds of weird, yoga-like positions. I have to tell you, Manuel, Kayden and Stoya fucked me so good, this scene left its mark on me. Good times!

All the girls in this movie had a babysitter-themed scene. You can check them out on the *Babysitters* website babysittersxxx.com.

Why did we make a sequel to *Babysitters*? Because lots of people still have the forbidden fantasy of fucking the babysitter! Something about it is so wrong, yet it is so hot. Imagine she comes to your door in a cute little skirt, colored bra popping out a little over her tank top. It's so cute and flirty, and she's so innocent, it just makes your dick hard. All you can think about is bending your babysitter over the couch, and fucking the shit out of her!

Hell, I'd like to hire a babysitter to take care of me in an adult way. I'd play along so innocent, ask if it's bath time because I need help washing myself. Oh my god, I'm getting all wet typing this, thinking about it! Aren't you turned on too? Can you imagine if one of the Digital Playground girls came knocking on your door to babysit you? How about *all* of us?

So, I think we can all agree that the babysitter fantasy is a potent one. You should all go and check out *Babysitters 2*, and you can fantasize about me babysitting you, treating you like a bad boy or girl. Don't make me put you in the corner for time out. I wouldn't want to have to bend you over and give you a spanking…

ALEKTRA
BLUE
FUCKIN' BUM

Alektra Blue pops Pat Myne's cock in her mouth with a wet slurp. She loves the taste of the cock, especially Pat's. The first time she sucked Pat off he was still married to Stormy Daniels, and Alektra could almost taste the lingering flavor of Stormy's ass on Pat's pole. You see, Pat likes to stick his dick into the Bad Place, the Naughty Spot, the Wrong Hole. Stormy doesn't do anal on film, but privately Pat used to tear her ass up, and blow massive loads inside her bunghole. Fortunately, Pat's new squeeze, Alektra Blue, enjoys anal both off and on-screen. She loves the feel of a stiff schlong slipping between her butt cheeks and penetrating her tender anus. That first moment of penetration is the best…although, settling into a hard pounding rhythm is pretty damn good, too. In fact, it's all good when it comes to sex with Alektra Blue. Give her a passionate French kiss, and then suck her big tits and stiff nipples. Finger her wet box, stick your dick inside her pussy, then slide out and slip it up her ass. Make her moan, and then jack your spunk into her hungry mouth. That's what Pat would do. You should, too.

INTERVIEW WITH A PORN STAR

SASHA

NEW YORK, NY—The last time Sasha Grey appeared in CHERI, back in September 2007, she was just emerging on the scene, embarking on what would be one of the most amazing porn careers ever witnessed. Where Jenna Jameson left off, Sasha Grey has stepped in, blurring the line between mainstream and porn to the point of obscurity. Sasha is the very essence of a crossover star, starring in hardcore porn and critically acclaimed indie feature films, as well as making her mark as a writer, musician and photographer (her new photography book, *Neu Sex*, is available from Vice Books.) A collection of photographs Sasha took while on set of her many adult movies, the images are raw but also show a candid side of the real world of the adult industry—a world where things don't always conform to the accepted, stereotypical image we expect. But that's Sasha Grey, possibly the realest adult star ever to grace over 100 XXX DVD boxcovers. Now Sasha is focusing on her mainstream career, which recently included appearing on last season's HBO comedy hit, *Entourage*, appearing in Stephen Soderberg's *The Girlfriend Experience*, and soon to be released album—*The Falcon In the Pod*—with her art-rock electronica band aTelecine. Sasha has truly connected with her fans the way no other past Performer of the Year has or possibly ever will.

By Rob Perez

What was the purpose of putting this photo book, *Neu Sex*, together?

I gave these photos to my literary agent around 2007, and he loved them and suggested publishing them. He thought that putting these photos into a book would be great. But at

first I thought, "You think people would like this?" But it really inspired me beyond the self-portrait, snapshots, etc. From there we developed some really beautiful photos. It's three and a half years worth of photographs. It's so weird to be here. It's so interesting to feel so detached from it because I've been done with it for so long, and now it's here and people are ready to see it. It's almost like vis-à-vis, I'm reliving it all over again.

Why did you decide not to caption the photos with the year, date, what's happening in the photos?
For a while I was really into the idea of having the book mirror an old version of my website which I designed by hand. So the book would be more like a journal—handwritten text or either a date or a little bit about the experience, or where this photo was taken. But I felt like, ultimately that it kind of took away the mystique from some of the photos. Part of the book and part of sharing the book was not disallowing myself to interpret the photos. It's also about allowing the audience to interpret them the way they want to interpret them. If I were to put something generic along with the photos they would be limiting themselves to their interpretations of whatever it is.

What's been a surprising benefit of putting this book out at this point in your career?
It was nice to be able to put out my philosophy without having to promote a project with it. I feel like I've had a lot of great opportunities with media or just online through general self promotion. But I never really gave myself the opportunity or I never had the opportunity to just share my philosophy with the way I work, really. So do I feel relieved from that now? Yes, because right now I'm focused on pursuing acting outside adult films I don't view it (acting) as performance art. Its two completely separate things.

There's this weird thing that happens where we're allowed to be sexy but we're not allowed to be sexual...It's OK to show your tits, but it's not OK to talk about what your kinks are when you're a woman.

Can you describe what you saw about shooting scenes as performance art? How do you view it as that?
Yeah. To me, using my body as a canvas, as the tool, is the most important thing. I had a method every single day before I was on set. My preparation started the night before if not earlier. A lot of it was a mental preparation and psyching myself up. Also, I would try to get as much information about the people I would be working with the next day. If I worked with that person before, how can I do a better performance than I did the last time? How can I make them react differently? Not in a sexual level but in a visual level. How can I get a reaction out of them? That was really fun. Through that I was able to examine myself and learn more about myself and explore my sexuality in a really safe manner. And to also learn about other people and the human condition through performance art. That was really important to me because when I was growing up I felt really conflicted about my

sexuality until I started having sex. Up until that point I was just guilt-ridden. This was just the continuation of my sexual awakening. I know it sounds so simple and silly to some people. But it was really important for me to continue expressing myself and learning about other people because it's a constant really. There's so many things that I was able to utilize outside of adult films through my observation that kind of gave me a better sense of just about people in general. A lot of the text in the book isn't just about men and women in the adult film industry. It's also about men and women that I meet when I travel.

As a performer did you prepare more for the person you were working with and not so much for the audience?
I think it's all encompassing because that turns into sex. The end result is the video which the people are going to see.

Is *Neu Sex* supposed to be seen as a manifesto, because there is stuff in there about "What happened to the sexual revolution?"
I guess you could say that. I mean it's my sexual philosophy. So it's a way of putting it.

Some of the stuff in there you talk about female empowerment and avoiding using sex as a weapon. I believe there's a quote in there about that somewhere. Can you talk about that?
God, how do women *not* use sex as a weapon? I think everybody uses sex as a weapon. I wish I had the book in front of me so I could see what I wrote two and a half years ago. *(Laughs)* Not using sex as a weapon; I think sex is used so often in everyday life in the media. We use it to sell sneakers and microwave meals. At the same time we're taught to kind of keep it to ourselves, unless you're a guy. That's OK. There's this weird thing that happens where we're allowed to be sexy but we're not allowed to be sexual. To me it's a veil of safety. It's OK to show your tits, but it's not OK to talk about what your kinks are when you're a woman. But when you're a guy that's OK. I feel like somehow that comes full circle when there are women using that against men. Like, "Well you're not coming with me to see this movie, so I'm not going to have sex with you tonight." That whole power play goes on, and I think both men and women are equally guilty of it.

Early on in my adult career I didn't worry about the way people did my makeup or the way people did my hair because it wasn't part of my goal to be this bombshell sex pot.

There's another double-standard you talk about which is the idea that all women are bisexual, but if you bring up the idea that all men are bisexual as well, men have an issue with that.
Oh, they definitely do. Again, that was one of the key points I write about. It wasn't just something I observed not only on the set of my movies but also off the set. People I often meet for the first time, they're very comfortable addressing their deals or their frustrations with their sex life or their frustrations with their relationships. I think I got a lot of information that...it's always easier to talk to strangers. So I think I got a lot of information from men who were basically

admitting to me that they've had bisexual experiences without admitting it, without really saying it 100%. It's kind of sad actually when you think about it. But it is something I came across time and time again. Where men were just not OK addressing their bisexuality with men. They admit they're uncomfortable.

How many of the photos you submitted for publishing were not used in the book?

I'd say about 10% were excluded by Vice Books, and only because they felt it had too many men in the book. *(Laughs)* They wanted more of me and less of these dudes that nobody knows. And the other ones I felt they were just boring photos and they didn't really add anything to better the book. There are some pretty raw shots in there. So it wasn't neccesarily about trying to be the greatest or being perfect. Early on in my adult film career I didn't worry about the way people did my makeup or the way people did my hair because it wasn't part of my goal to be this bombshell sex pot. That wasn't part of my strategy. But in the same vein I didn't neccesarily like what they made me wear. *(Laughs)* It was fun to take the camera and make fun of why I looked like an alien today. It was also a way to remember the fun days, the stressful days, the beautiful days I had in my life and capture it with a sense of immediacy that the still images from the video definitely don't capture.

Now that you are moving on to the next chapter of your career, do you miss being involved with the adult industry?

I miss the routine, oddly enough. Its nice knowing I'm going to work Wednesday, Friday and Saturday, and being able to plan out the rest of the days to accomplish other goals I had. So yeah, I do miss that.

What was it like working with Stephen Soderberg on *The Girlfriend Experience*?
It was an amazing experience. But I also have to thank two women who have also lived the life of TGE's (total girlfriend experience). I got a lot of material from those two women to use for my character. I wrote and I wrote and I wrote because 90% of that movie is improvised. So I had an idea of how my character would react in certain situations that are bad or awkard. I would run my scenes past Stephen and I would ask him, "Yes, no. Just tell me, yes or no." And Stephen would tell me. Everyday was different. He always had a few surprises for everybody.

So now that the book is done and you're moving on to other stuff, can you give us an update on what else you're up to?
My band, aTelecine, we're working on an album to release at the end of April—based in Brooklyn, New York. The album is called *The Falcon In the Pod*. We actually just spent the whole week together which is extremely rare. It's difficult to pin down time to record together. We often file share… that's how we make our music. As you know we've had some cool offers to play live and it's something that we all really want to do, but right now I'm focusing on acting. So it's difficult what that live show would be about. I don't want it to be, "This is the Sasha Grey Band!" No, no. that's not what this is about. It's the one project that is not about making an impact. It's nice to have something that is completely and truly a creative outlet without having to worry about pleasing somebody else.

What about any upcoming acting gigs?
Some friends and I are working on a script called *I Am The Destroyer*. And that's shaping up to be pretty awesome. And I'm prepping for a film where I get to kick some ass and take revenge.

APRIL & JANA

HOLE FOODS

April and Jana like to eat healthy, and there's nothing more all-natural than ass, or a nice pair of homegrown titties. "I like to eat organic," April says, but all her horny friend Jana hears is "eat me to orgasm," so she starts to chow down on April's hair-pie. No worries. April is more than happy to offer up her pink slice as an appetizer. She spreads her thighs, lets Jana lap her lap and nosh on her crotch. April cums hard, clamping her thighs around Jana's head like a nutcracker. April catches her breath. "I like to eat organic," she says again, wiggling beneath Jana so the willowy blonde is sitting on her face. April gets her fill of organic goodness when Jana grinds her clit against April's chin, her twitching twat flooding April's face with sweet juice. April swallows every drop. "Damn, that was good!" Jana says. "But I think we forgot the picnic basket!" Oh well, ladies. Good thing we've got sausage in our pants for you to snack on. Meatballs, too.

BIG ASS FUN

WARNING: OBJECTS IN JULES JORDAN'S *REAR VIEW* MAY APPEAR LARGER THAN THEY ACTUALLY ARE!

By Kotch Johnson

Finding ways to look at things with a fresh perspective is always useful—especially when it comes to checking out primo porn star ass. In order to truly appreciate these plump posteriors, director Chris Streams captures these righteous rumps at all the right angles. They jiggle, they bounce, they grind—they're some of porn's best behinds! And, for over four hours, these sluts get down and dirty sucking cock, eating cum and yes, even taking it up the ass for your pleasure. Trust us, you'll be pleased! So strap in, stroke off, and tune up your skin flute as we go cruisin' for kiester On the Set of Jules Jordan's *Rear View*.

ALLY KAY

Ally is one hot blonde, with her big, juicy ass tightly packed into a gold bikini. Showing off her scrumptious rump is Ally's favorite pastime, like when she presses her ass against the glass door, inviting us in for a closer, more intimate look. Standing with one leg straight up over her head, we get a good 'rear view' of her pussy, and Ally rubs her nub before Lee comes in and fondles and spanks her ass. He eats her out before Ally gives him a sloppy blowjob. She has the courtesy to ask if he can fuck her face. Lee complies and makes his whole cock disappear down her throat, picking Ally up for an upside-down 69. Ally can't get enough of his sausage! He drills her in mish, and holds her right leg behind her head like a stretching gymnast until Ally is soaked in sweat and nearly split in two like the wishbone of a Thanksgiving Day turkey! She grinds Lee one last time on the couch before he positions her skull in place and cums directly into her mouth. Being a raging cum slut, Ally swallows every last goddamn drop!

JENNA PRESLEY

Seasoned porn slut Jenna Presley doesn't have to try hard to show off her sweet ass – it cums naturally. This raven-haired hussy means business in her black tights and boots, garters attached holding up black fishnets. After showing off her fine ass and prime pussy, Jenna fingers herself while straddling a chair. Astute cocksman Mark Ashley takes notice, burying his face in her ass and rimming his way out. She sucks his cock, and they head upstairs. In the master bedroom, Mark lays her out on the California King and licks her box, then sticks his dick in her. He drills her in doggie and mish, cowgirl, spoon and reverse spoon. Did we forget anything? Oh yeah, Mark strokes out a big, thick, creamy load all over Jenna's face and tits! You wear it well, Jenna!

PHOENIX MARIE

Phoenix is a cute blonde with an even cuter ass. It's especially nice when it gapes open, so she immediately begins to fuck her own asshole with a large black butt plug. She gets it all the way in just in time for Erik Everhard to show up. Erik helps Phoenix with her ass cramming endeavors by pulverizing her anus with said butt plug, and eating her tasty anus and vagina. Then it's time to butt fuck. Erik slams his ham in Phoenix's heiny hole, stuffs a couple fingers in her pussy and a couple in her mouth. It's awkward, but it works. It seems like Phoenix has an out-of-body experience as she swaps his cock between her butt and her gullet, shuddering in multiple orgasms as her anus gapes wide open. At one point, she tells Erik to stop because she can't take it anymore. But Phoenix digs deep and finds the strength to persevere. Well done, Phoenix! Here, take a mouthful of Erik's hot cum as a token of our appreciation!

CAROLINE PIERCE

Caroline's a bitchin' brunette with a big, thick, lovely round ass. Having a derriere the size of a dump truck is a good thing in this instance, because Caroline knows just how to strut her butt—then plop it firmly atop Ramon's bone! Caroline rides him in cowgirl before she ever sucks Ramon's rod. This is not your usual chronologic copulation, but then again, Caroline's not your usual porn slut: She even needs to taste her own pussy juice in order to 'motivate her.' And like Popeye eating his spinach, Caroline gains superhuman energy after tasting her own twat sauce, fucking manically in every conceivable position before finally allowing Ramon to shove his fingers up her butt. Once he spreads her pinhole open enough to shove his dick in her asshole, things really get hummin' and cummin'. Things end strangely. Ramon pulls out abruptly and spews his load all over a nearby wall. Then he asks Caroline to lick the wall clean. Naturally, this psycho sperm slut obliges his kinky request and laps up his sperm splatter! Hey Caroline, you clean floors and windows too?

KRISTINA ROSE

When anal expert Kristina Rose enters the scene, you know things are gonna get sloppy and nasty in a hurry. Hanging out by the pool, teasing us with her succulent, thonged ass, Kristina's rump looks ready for a ride. Rico Strong's just the guy to give it to her. A rose by any other name might not smell as sweet or suck as good, as Kristina gets face fucked in rapid-fire succession, like a toilet getting plunged. But this is Kristina Rose—that's how she rolls! Rico picks her up for an upside-down 69 and fucks her in a standing doggie on the front porch before finally dragging her inside for some nasty anal finger fucking. The screwy smile on Kristina's face says it all—she loves it when he tinkers with her sphincter! Rico taps her ass in doggie, reverse cowgirl and cowgirl, pulling out at just the right moment so we get a view of her 'blooming rose" gaped anus that's so graphically ghoulish it's simply not for the faint of heart—though you anal extremists will fuckin' love it! You'll also love the way the scene ends—with Kristina finishing an ass-to-mouth exchange with a quality cum rinse!

Rear View keeps its eye on the prize and never waivers in its mission to deliver outstanding anal sex. Kudos to Jules and Co. for making it happen…yet again!

TART OF THE MONTH
LELA STAR
HEAVENLY BODY

A lot of people gave Lela Star shit for getting breast implants a few years ago...including us.

We'll admit, we chastised Lela for getting fake plastic tit-bags. But it didn't stop us from making her CHERI's Tart Of The Year (Holiday 2008). We have to admit, though, we've been holding out on you CHERI readers. We've had this pre-boob job set of Lela Star locked in the CHERI vault for several years. No one knew we had it, not even Lela. Once a month, under the light of the full moon, we would take this set out and study it, examine the minute details of the shower spray splashing down over Lela's firm body, the sensuous curves of her flawless ass and perfect tits, until it became too much to bear, and we'd cry Lela's name as our cocks twitched and our seed spewed to the ground. Then we would lock the photographs back up until next month. Until now. Now is the time for these Lela Star photos to be unleashed upon the world. Plus, we really need to mop up the CHERI vault...stinks in there!

KATHIA

DOUBLE IMPACT

28861

"Last call! Last call, people!" Bob shouts to the nearly empty bar. "Drink 'em up! Closing time! You don't have to go home, but you can't stay here!" Home is the last place Kathia wants to go. She had a fight with her husband earlier and she doesn't want to go home until she's sure that bastard is passed out drunk. How dare he call her a slut! Just because she likes to wear skirts that are a little short. (She forgets her panties frequently, too.) Kathia likes to go places and be seen, show off a little. So what? Her husband shouldn't judge her. Just because she comes home at 3 a.m. with the scent of spunk on her breath and her fuckholes dripping with spit and semen doesn't mean she's a bad person. She was only thanking Bob for mixing her such tasty drinks all night, and that other guy for buying them. What was his name? Dick? Dale? Kathia doesn't remember. She only recalls that his jizz tasted fruity. Dragging her freshly fucked ass through the front door, Kathia feels a pang of regret. Maybe she'll wake her husband for make-up sex...

PLAYGROUND OF PLEASURE

DIGITAL DAMES ENJOY LOADS OF FUN ON THE SET!

They've been busy beavers over at Digital Playground. We gave our Entertainment Editor Jesse Jane extra work, asking her to write a column in every issue of CHERI instead of every other issue. But then the DP honchos upped the ante even more, dumping a load of new movie roles in Jesse's lap…all while her male co-stars continued to dump loads on her face, tits, and ass! And Jesse wasn't the only starlet working overtime at the Digital Playground studios. Fellow contract stars Riley Steele, Stoya, Kayden Kross, and Raven Alexis joined newcummers Selena Rose and Bibi Jones on the set, sucking their way through a forest of cocks, fucking a field of raging boners, and taking copious loads of jizz. Don't believe us? What the hell's your problem? Don't you consider CHERI a reputable news source? Well, check out these photos. Yeah, that's right. We accept your apology. You can trust us!

TITILICIOUS 3 ⚡⚡⚡⚡⚡

(Digital Playground) Starring: Jesse Jane, Sara Stone, Jessica Jaymes, Bridgette B., Kerry Louise.

Once upon a time, before it became the place "where the porn stars come to play," CHERI used to be a big tit magazine. Glorious natural boobs and big, wooly muffs ruled the day. Times have changed, but our love of boobs has not. CHERI Entertainment Editor Jesse Jane and her tit-heavy pals at Digital Playground could have easily helmed one of those early issues of CHERI, and *Titlicious 3* is a testament to that. Jesse opens the flick with a steamy solo shower scene. Erik Everhard gets an eyeful of Jesse in the shower, and pops a rod. Jesse pops that rod in her mouth and pussy until it pops on her pretty face. Co-star Bidgette B. looks a lot like Jesse, especially when she's got her big boobs wrapped around throbbing cock. Kerry Louise and Jessica Jaymes keep up the heat, letting their titties bounce as they ride pole, and mega-tit hottie Sara Stone lets Toni worship her natural knockers, burying his face in those beauties before covering them in jizz. Five amazing, tit-filled scenes will keep big tit lovers at full boneage the entire time.

NOT CHARLIE SHEEM'S HOUSE OF WHORES XXX

(All Media Play) Starring: Chloe Jones, Bree Olson, Jenna Presley, Kacey Jordan, Tanner Mayes, Capri Anderson, Melanie Rios, GiGi Rivera, Shyla Jennings.

Winning! That's the motto of Hollywood's most famous train wreck/porn hound. Like Charlie, we love porn stars too, especially the ladies of All Media Play's *Not Charlie Sheem's House Of Whores XXX*. In this compilation of scenes from parody king Will Ryder, we see the harem of beauties that either hooked up or had some connection to our Hollywood hero. Charlie's "Goddess" Bree Olson—in a clip from *The Bionic Woman*—looks fantastic, both in her clothes and out, on cock and off. Kacy Jordan is a sexpot, pigtails and all, from *Not The Brady's*. Tanner Mays lets James Dean drill her with his Brady cock. Capri Anderson and Shyla Jennings ride the Sybian during their down and dirty lesbo tryst. Melanie Rios and GiGi Rivera give the film some much needed Latin spice as they deep-throat giant cocks and get their tight and juicy pussy holes filled. You'll have a great time reliving these parody masterpieces—you'll wish for some Tiger's blood to keep up with these babes! Winner!

BELLADONNA: FETISH FANATIC 9

(Evil Angel / Belladonna Entertainment) **Starring: Bobbi Starr, Ashley Fires, Sinn Sage, Tori Lux, Kristina Rose, Ann Marie Rios, Ashli Orion, Francesca Le, Sammie Rhodes, Andy San Dimas.**

Thank god for Belladonna, possibly the only director making dyke porn for guys, not that passion-fueled, lovey dovey crap! We don't see enough hardcore lesbian porn anymore, but Belladonna mixes heavy lesbian action with fetishes that go beyond the gritty scale. There are moments in *Fetish Fanatic 9* that cross the line between kinky, hot and sexy and unnerving, humiliating and sick… but we still loved every second of it! This is a top-flight cast, and you won't believe what these girls are capable of doing. Did Belladonna give the subs in this movie hazard pay? Kristina Rose, Ashley Fires, and Ashli Orion plays subs to Bobbi Starr, Andy San Dimas, and Francesca Le, though there are times when the tables turn and the subordinates are able to make their masters whimper. Definitely not for the squeamish, but if girls making girls scream gets you off, *Fetish Fanatic 9* will leave your balls drained!

NEIGHBOR AFFAIR 10

(Naughty America) **Starring: Rachel Starr, Ava Addams, Angelina Castro, Chanel Preston, Mackenzee Pierce.**

Imagine living next door to Rachel Starr. You go to her for relationship advice when you hit a rough patch with your girl. She consoles you, tells you everything will work out fine. Then she blows you, rides your cock, and jerks your load all over her face. Yes, that's mighty neighborly. Neighbors helping neighbors is the theme of Naughty America's *Neighbor Affair* series, and this tenth installment continues the lofty tradition. Mackenzee Pierce struggles with her shopping bags until her handsome neighbor lends a helping hand. Mackenzee thanks him by burying his cock in her shit-tunnel, and siphoning the cum from his balls like a crazed, semen-eating succubus. Angelina Castro and Ava Adams do their shift on the neighborhood watch program, letting us watch them get their wet holes stuffed. Chanel Preston wraps things up in fine style, letting her neighbor lick and stick her beautiful bunghole. Give back to your community! Check out *Neighbor Affair 10*…then go fuck the girl next door!

HARDER

(Adam & Eve / SkinWorxxx) **Starring: Inari Vachs, Teagan Presley.**

Inari Vachs tore through the porn landscape of the 1990s like Godzilla, spreading ass, sucking dick, and leaving drained ball sacks in her wake. Now Inari is back after an eight-year break, and she's *Harder* than ever. You can tell she's eager to get to the meat of the matter, but first she has to work her way through Teagan's molten muff. No worries, Inari appears to relish the task, sucking tit and clit with gusto. Teagan's no newbie, but she's still left quaking in a post-coital daze when Inari is through with her. Eric Masterson waves his dick in Inari's face, and she swallows it like a large-mouth bass. Eric might have intended to fuck her, but he doesn't last that long, spewing his load into Inari's hungry mouth. But Inari's not satisfied yet. It's on to Sean Michaels, who stretches her to the max with his big black dick, and shoots a load all over her. After getting a quick anal boning, Inari closes this one out with an amazing DP scene. We bow to you Inari. Now bow down in front of us and spread 'em!

ANARCHY

(Wicked Pictures) **Starring: Alektra Blue, Tessa Taylor, Victoria White, Lizz Tayler.**

Anarchy is a sleek, stylish look at the hard-living lifestyle of rocker chick Alektra Blue. Talk about perfect casting. If anyone can play this Joan Jett-type character, it's Alektra. She carries the entire film on her delicate shoulders, and does a magnificent job of it. Alektra proves she can both carry a tune and jam the organ in this musical sex-fest, fucking fans, blowing bandmates, and watching her kinky friends fuck. When Alektra and BBF Victoria White get busted by a security guard backstage, they suck-n-fuck their way out of trouble. Wait a sec, groupies are supposed to blow the security guard, not the star of the show! Plot be damned, Alektra must have cock! Her sexual performances are nothing less than stellar. Alektra plays hard and fucks even harder in Barret Blade's excellent directorial effort. This one is bound to make it to porn critics' top ten lists.

ISIS
TAYLOR
DIRTY DOGGIE

Photos courtesy of
Zero Tolerance's
Girls Get Busted
www.ztod.com

Who is Isis Taylor? Well, Isis was a goddess in Ancient Egypt worshipped as the ideal of motherhood, magic and fertility. We don't really see Isis Taylor that way. Sure, someday Isis will make an excellent wife and mother, be the maternal center of a big, happy suburban family. But not today. Today she's the young, horny nympho you keep on the side, the girl whose pussy is always wet and nipples are always hard. She's the girl you meet in the parking lot during your lunch hour, licking her sweaty pussy in the backseat of your car, and letting her blow you and finger your asshole. She's the type of girl you meet at the NoTell Motel after work for a quickie that turns into a doubleheader. You blow a load mish, but then she flips over and begs for doggie. You oblige, fucking Isis until she cums screaming, and your raw dick spurts again. Later, you're driving home, trying to think of a plausible excuse for your tardiness, wiping sticky fuck juices off your junk with a wad of paper towels. Yes, Isis Taylor is more Homewrecker than Homemaker. Better hope she's not too fertile either, Captain Creampie!

GINGER SOPHIE & JASMINE

PEAKING IN TONGUES

28862

StoreMags.com

Sophie keeps trying to bring her pals Ginger and Jasmine back to the task at hand…but her friends are focused on something else. "Come on, guys! I'm getting married in four weeks…I need help planning the seating chart for the reception!" Sophie whines. "I mean…where is Auntie Bessie going to sit?" Ginger pours Sophie a glass of champagne while Jasmine rubs her back, slipping the straps of Sophie's dress slowly off her shoulders. "Chill, girlfriend," Ginger tells her. "Drink some bubbly and relax. We'll figure out where Auntie Bessie is going to sit…right after you sit on my face!" Sophie has to admit it sounds like a good idea. She's been so stressed out lately, a good, hard orgasm might be just what she needs to unwind. Plus, her fiancé doesn't make her cum as hard as her pals Ginger and Jasmine do. Sophie screams as she climaxes on Jasmine's probing fingers and eager tongue. Hey, maybe Auntie Bessie would like that seat too!
